sponsored by Indian People Organizing for Change and SSP&RIT  
A Citizen's Assembly

## November 7-25, 2005

### Why:

Indian People Organizing for Change along with Vallejo Intertribal / SSP&RIT invites you to join in a journey of walk and prayer to remember our ancestors that lived on this land for thousands of years. The walk will be led by traditional Native American leaders and Nipponzan Myohoji Buddhist. We will walk and pray with our ancestors in areas where shellmounds and sacred sites have been desecrated by development.
